The Clown's Story

By CHARLES E. BAXTER Enconstruction and a first and

Blake & Bexley's International Grand Circus' and Menagerie had ever known. They say all lious know a sight more than humans give them

credit for, but I won't say yes or no to that. I'm only the clown, She used to purr like a great kitten of the most deadly snakes. when I went by, and stretch out the her back and tickled her ears, although | hend moth, It wasn't strictly allowed, You see,

drinking. She couldn't stand that no- and proceeds to scratch a hole in it how. She used to growl when he'd the charge of introcer put her through her tricks, and stand lying down, he pushes his long tongue lashing her tall in anger. You see, into the breach. The ants swarm on lions can always spot anything wrong about humans. But what made her is nicely covered its owner draws it real mad was when Tipp had been in, beating his wife. How do I know?

take to men like Tipp for some reason speed to the death performer, and bred in the business, kill a man, and fhat's apr to sour some women but it hadn't soured Nancy Tipp, She the from the start of idolized him, in spite of everything, Chen. "The whole and wouldn't look at any of the boys mubellevable. But who used to east eyes at her, though of in the little gray there was many a one would have died ser I knew that it was for her, How do I know? Well, I'm the clown

But when Cissle Bustom Joined er to look at the bars. mr head toward the Binke & Bexley's and began roping in gr I heard a buzzing Tipp-who was always ready for side of the wall. It anything in the female line that was chair. I was nearly on Cisale's lines, Ada knew as soon as any of us. After that Tipp used to treat Nancy Tipp worse than ever, and mith. As each would more than once I've seen her painting out a black eye that Tipp had given her before running into the areas, She grieved over him, too, for a long time, Its the most terrible But after a while she got kind of quiet and bitter against blin, and Pd watch id lose our heads and him and think how I'd like to bust his head if I was anything but the clown

Yes, sir, Ada know all right, Tipp man in the chair who and Nancy used to perform together inside of Ada's eage, a kind of gyarnustic exhibition, emiling in Ada's hoofing Tipp out of the case and lying down at Nancy Tipp's feet, And as Cissle and Tipo began carrying on got worse and worse, but she leved Nancy, and I think that's what saved I'm the clown,

It was the day before the annual move to New York and Classic and Three as herion. It is sometimes erroneoushad been alone all day. Semething by themalt that the rapid render skims but what I did see about half in hour before the performance; was Tipp and laughing at her, if anything made and as the result of his investigation,
Ada mad, that that. She snarled and president Hughes is requiring all Mishowed her fungs, and growled, and god freshmen to attend a series of Departure of passenger trains from lashed her-full, and bit at the iron har | factures given by the faculty men on he dug into her riles. It was clearly the subject of efficient reading,

When the performance come on that the enge and I saw ke had a loaded pistol in his hand. Ada saw it too. time, but there was a mean look in the her to wish was for him to obey, her eye which I recognized for what it the dashed into the lake, swam to the was worth. Then come the moment Tipp and roll him over with her hoofs the shore his strength gave out. He being only a clown,

And suddenly my blood went cold | Cleveland News-Leader, For I saw Tipp deliberately pull some-thing out of his sleeve and jab Ada in the nose. Quick as lightning it was done. With his back to the audience, and quick as lightning he was on his feet and bolting for the door as Ada snarled. And I saw that it was his three miles. Twelve bees and twelve game to make his get away and have Nancy torn to pieces, the miserable, skulking clown!

run forward screaming, and fling hers gether. self between them. And then it was all over and Tipp lay on the floor of the cage, and he would never beat Nancy Tipp again, for his head was half torn from his body. I yelled and ran forward into the cage, and I must have looked a pretty sight with my face white and my spangles, me

erouching at her feet and never moved nor uttered a sound when I pulled Nancy up and carried her out. Of course Ada had to be shot. But, as I began to say, Hons know a good deal risout humans, and if there's any lion heaven I guess she's gone to it, though we're not supposed to think of serious

things like that, we clowns, It was a long time before Nancy Tipp became herself again and she's only just gone back to circus life. Had to do that—I knew she would. It's born and bred in her. Yes, she did find the right man at last and she's happy now-she was telling me so this morning. You see, I'm her clawn,

Using about 150,000 horsepower at present, Finland is estimated to have 3,600,000 horsepower available in its waterfulls at average water levels.
